1) Why do you want to be a teacher?

2) List the skills and abilities you consider to be your strengths for working in a classroom.

3) Previous experience in schools or other child centered programs (incl. length of involvement).

PRE-PROFESSIONAL EDUCATION PROGRAM AGREEMENT

The following is to be read and signed by all applicants to the UCSB Preprofessional Education Program.

In entering the Preprofessional Education Program, I understand that I must accept full responsibility for following the directions of my supervising teacher and assisting with his/her students.

If for any reason, I cannot attend school on a scheduled day, I am expected to notify my supervising teacher directly. If it becomes a hardship for me to honor my commitment for a term/quarter, I will notify my supervising teacher, the On-site Coordinator or Principal, and the UCSB Pre-professional Education Coordinator, Judy Headley. I understand that my Preprofessional Education Program experience is not considered completed until I have turned in the required forms, at the end of the term/quarter (if enrolled in ED 122) and/or before beginning another experience.

In case of injury at a school site, I will be responsible for seeking medical care using my own health insurance provider. The University does not cover Workman's Compensation claims.

The Pre-professional Education Program experience is one basis for admission to many credential programs. I understand that my performance as a Preprofessional Education Participant will be considered as part of an application to the Teacher Education Program at UCSB.

In addition to the above, I have been informed of the following information:

Each Pre-professional Education Program participant is responsible for making copies of all required paperwork for his/her own personal files before a copy with original signatures is turned in to the Pre-professional Education Program Office. The Pre-professional Education Program Office will not make copies for students. (Please keep your own set of files.)
